

Introducing the Galaxy A50

The Samsung Galaxy A50 is the extraordinary smartphone experience you've been looking for. Go all day and into the night with a long-lasting, fast-charging battery. Capture everyday moments exactly the way you want to remember them with the incredible multi-lens camera. And elevate your entertainment experience with a vibrant 6.4" Infinity Display¹ that delivers a clear edge-to-edge view. Now's your chance to get the phone you want and the value you've been waiting for.

Features

Long lasting. Fast charging.

With an all-day battery² that lasts up to 35 hours, the Galaxy A50 keeps up with your fast pace—throughout the day and into the night. When you need a boost, power back up quickly with Fast Charging.

A camera for every occasion

Featuring three specialized lenses, the Galaxy A50 is the only camera you'll ever need. Capture more of what you see in every shot, thanks to our advanced ultra wide 123° field of vision. Shoot vibrant photos with a 25MP main camera or take flattering selfies with a depth lens that puts the focus squarely on you by softening the background.

Broaden your view

Be drawn into the brilliant 6.4" Super AMOLED screen¹ with a captivating edge-to-edge display. The Galaxy A50 has a slim, sleek design with a glossy finish that's not only stylish but also fits easily into your pocket.

Don't worry, keep it all.

With 64GB of built-in memory, you can keep more of your photos, shows, movies and apps, without ever having to delete anything to make room. If you need more space, expand your memory up to 512GB with a microSD card and store up to 100,000 photos.³
